Solution brief

HP ElitePOS Retail System

With security, durability, and flexibility built into its gorgeous design, the HP ElitePOS meets the demands of your business and marks a new era in retail and hospitality.

Component breakdown top-to-bottom.

1. Head unit: choice of three models.

2. Fixed position, swivel and tilt stand; wall and pole mounting options.

3. Optional integrated column printer[1] or stand spacer.

4. Stability base plate.

5. Connectivity base: two options based on input/output requirements[1].

Sleek. Modern. Adaptable.

Designed to adapt to any retail or hospitality environment, the HP ElitePOS features a versatile ecosystem of accessories.[1] Build the ideal solution for your business—whether it's for check-out, interactive signage or self-service.

Durable. Powerful. Built for the day ahead.

Power through your peaks with 7th generation Intel® processors and a durable system that has a 5-year manufacturing lifecycle and up to a 3-year standard limited warranty.[2] Get additional peace of mind with optional HP Care Pack services including on-site support.[3]

Secure data. Protect customers.

Today's business calls for next-level security. The HP ElitePOS answers with a self-healing PC BIOS and firmware that shields the BIOS against attacks to help keep your data, devices, and customers safe and secure.

Retail-ready durability.

Entrust a device that's not only beautiful, but retail-hardened. It's designed to pass tough MIL-STD 810G testing[5] with a sturdy, anodized aluminum chassis that resists spills by channeling liquids away from the screen.

Bring the digital and physical worlds together.

Drive your business and deliver an engaging experience across devices and displays with the seamlessness of Windows 10 Pro[4] or Windows 10 IoT.

Alluring and easy to use.

Engage customers and enable associates with a modern, polished 14" diagonal, Full HD touchscreen display. It's intuitive and responsive for fast interaction, and has an anti-glare coating to minimize light interference.

Optimize your space in style.

Set a new bar for sophistication with components and accessories[1] that complement the aesthetics of the HP ElitePOS system and meet your specific needs.

	Model options HP ElitePOS Model 141 HP ElitePOS Model 143 HP ElitePOS Model 145	Select the base model that fits your performance needs, Model 141 with 7th generation Intel® Celeron, Model 143 with 7th generation Intel® Core i3 and Model 145 with 7th generation Intel® i5 processors.
	Stand options Fixed Position Stand Rotate/Tilt Stand No Stand Option	Place on a counter or counter-mount with the Fixed Position Stand and the Rotate/Tilt Stand that offers optimal performance with 10 degree angle adjustability; 180 degree rotation left or right. The no-stand option allows for mounting on a wall or stand via the VESA bracket.
	Connectivity base options HP ElitePOS Retail Basic I/O Connectivity Base HP ElitePOS Retail Advanced I/O Connectivity Base	Gain the right level of connectivity with a choice of two input/output base options to enable compatibility for legacy and evolving retail accessories. The connectivity base fits neatly under the HP ElitePOS System or can be mounted under the counter for a maximum clean counter look.
	HP ElitePOS Top Mount 2x20	Frame easily readable price, product, and order information for your customers on HP's smallest and thinnest customer-facing display, designed to complement the HP ElitePOS System.
	HP ElitePOS 10.1 inch Touch Display	Share dynamic videos, content, and graphics with customers and encourage hands-on interaction.
	HP ElitePOS 10.1 inch Non-Touch Display	Draw a crowd of customers in any space with a non-touch display for sharing content, videos, and graphics.
	HP ElitePOS Serial/USB Printer	Redefine your perception of retail printing with an eye-catching, compact, cubist printer designed to dazzle alongside your HP ElitePOS system.
	HP ElitePOS Column Printer	Maximize counter space and impress your customers without compromising on functionality, by opting for a receipt printer integrated into the column of the HP ElitePOS System.
	HP ElitePOS 2D Barcode Scanner	Deliver an efficient customer experience with a slim and sleek barcode scanner that enables scanning of mobile wallets and digital coupons as well as printed 1D and 2D barcodes.
	HP ElitePOS Magnetic Stripe Reader	Accept gift cards, employee ID cards or loyalty gift cards with the HP ElitePOS Magnetic Stripe Reader[1] that cleanly integrates into the ElitePOS head unit to create a sleek and functional solution.
	HP ElitePOS Fingerprint Reader	Enable secure, accurate employee log-in protocols and help reduce opportunities for unauthorized access. The HP ElitePOS Biometric Finger Print Reader can be configured next to the stand or as a standalone device.

HP ElitePOS Retail System Usage Scenarios

Build the ideal solution for your business—whether it's traditional point of sale, interactive signage or self-service.

Traditional Point of Sale
Transform the point of sale experience

- Complete transactions
- Loyalty card registration
- Customer order review and approval

Self-Service
Provide maximum convenience

- Customer check-in and check-out
- Research product information
- Self check-out

Interactive Signage
Deliver an interactive in-store experience

- Digital signage
- Store maps and way-finding
- Digital concierge

¹ Optional features sold separately or as add-on features.

² 1 or 3 year limited warranty, depending on country.

³ HP Care Services are optional. Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts on date of hardware purchase. Restrictions and limitations apply. For details, visit www.hp.com/go/cpc. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.

⁴ Not all features are available in all editions or versions of Windows. Systems may require upgraded and/or separately purchased hardware, drivers, software or BIOS update to take full advantage of Windows functionality. Windows 10 is automatically updated, which is always enabled. ISP fees may apply and additional requirements may apply over time for updates. See http://www.windows.com.

⁵ MIL-STD 801G testing is pending and is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
