

M Apple Gas Lift Arm for old version 27" iMac

Art No: 7 350 073 730 698

Especially made for Apple iMac 27" this triple jointed gas suspended monitor arm, designed by Multibrackets to optimize your productivity and help reducing strain on neck, back and eyes. The M Apple Gas Lift

Arm for old version 27" iMac is made out of a durable aluminum construction and uses a gas driven suspension technique. This makes the screen "float" and it can then be moved with near zero effort.
