QL-570 Electronic Labelling System

A professional high resolution label printer

Look professional

Introducing the sleek, compact and stylish Brother QL-570 Professional Label Printer. Perfect for creating cost-effective labels on demand for envelopes, packages, file folders, CD/DVD, name badges and more... The Brother QL-570 Label Printer is for those wanting to create customized labels quickly and easily so they can look more professional and become more organized.

Fast print speed

The Brother QL-570 Label Printer can print up to 68 labels per minute* (faster than one per second!).

Prints high resolution text and graphics

Professional high-resolution printing (up to 300 x 600 dpi) captures all the fine details of pictures, logos and graphics.

Easy software installation

Brother QL-570 Label Printer comes with easy to install label creation software and drivers. Simply place the CD into your PC and follow the user prompts. When requested, connect the Brother QL-570 Label Printer to your PC via the included USB cable. It's that easy!

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a 1 year limited parts / 90 days labour warranty supported by our nationwide network of authorized customer care centres. We also provide machine lifetime toll-free technical support. For added support, the "Brother Solutions Center" (<http://solutions.brother.com>) is an online repository of information, driver downloads, user manuals and FAQs to help you get the most out of your label printer.
