

Professional, user-friendly wide-format labelling

Labelling on demand for your business

The QL-1050 is a fast, reliable, professional label printer, with a four-inch print head ideal for handling shipping label formats. Robust and user-friendly with easy to load consumables, the QL-1050 is the perfect labelling solution for your business.

Featuring...

- High quality 300 dpi printing
- Up to 69 labels per minute*
- Easy-to-load die-cut and continuous label rolls
- Free P-touch® Editor software to create custom labels
- Database connectivity for .xls, .csv, .txt, and .mdb file types
- Automatic tape cutter

QL-1050 Electronic Labelling System

P-touch®

A better way to get organized

Fast, professional, reliable

The QL-1050 is an affordable and robust professional-grade label printer, ideal for producing shipping labels, signage, bar codes and medical labels. Essential features such as a 4-inch wide print head to handle standard shipping label formats, a robust automatic tape cutter and a user friendly, top loading design for quick consumable replacements, make it a perfect fit for your business.

Superior software flexibility

The QL-1050 comes with free P-touch® Editor software to create custom labels using virtually any combination of True Type fonts, clip art, logos and graphics so your business can get the maximum out of its label printing. You can also use Brother QL add-ins to print from familiar Microsoft® applications – such as Word, Excel and Outlook.

The right connectivity for the job

The QL-1050 not only includes a USB port for seamless Windows® and Mac® connectivity, but also a serial interface for ESC/P and ASCII input capability. Smoothly tap into your existing databases with connectivity for .xls, .csv, .txt, and .mdb file types. The QL-1050 has a 4 MB flash memory with 2 MB available for the storage of transferred fonts or templates to optimize print time.

Service and support are part of the package

We are dedicated to comprehensive service and support. We provide a limited one year parts / 90 days labour warranty backed by our nationwide network of authorized customer-care centres. We also provide machine lifetime toll-free technical support.
